Highway safety is of primary importance in all Township decisions related to the Adopt-a-Highway Program.

Only groups and individuals determined by the Township to be responsible and to exhibit, in good faith, the desire and the ability to achieve the program objectives within the parameters of these Terms of Conditions will be allowed to adopt a section of Township Road rights-of-way. Any injuries, claims, liabilities, suits, or costs arising from the volunteer's activities relating to this agreement shall be the sole responsibility of the volunteers.
