

## Municipal Election E-Voting Frequently Asked Questions (FAQ's)

### **Who will get a Voter Instruction Letter (VIL) with a PIN to vote in the election?**

A. All qualified electors on the official Municipal Elector's List provided by the municipality.

### **What if my name is not on the Voters' List?**

A. Eligible electors who are not on the official Voters List will have to contact the Township of Huron-Kinloss Election Help Centre and complete the required forms to have their name added to the Voters List. Once this is completed you will be given a VIL by the Election Official.

### **When should I expect to receive my PIN in the mail?**

A. Individual PINs have been mailed to eligible electors. They should be received in and around the first week of October. If by October 12, 2018 you have not received your letter please contact the Township of Huron-Kinloss Election Help Centre at 1-833-395-5150.

### **What if I don't get a PIN in the mail by Election Day?**

A. If you are an eligible elector and on the official Voters' List, but you did not get a PIN in the mail by the start of the election period, you can request a replacement PIN. If the Election Official's records indicate you were sent a PIN in the mail then the original PIN will be disabled and cannot be used to cast a vote in the election. A replacement PIN will be issued to you if the original PIN has not been voted and you provide appropriate identification.

### **Why would I not get a PIN in the mail?**

A. If you didn't get a PIN in the mail, one of two things may have happened. First, your name was not on the official Voters' List. PINs are only mailed to electors whose names appear on the official Voters' List as supplied by the MPAC. Secondly, a PIN may have been mailed to you and it has been delayed for some reason in the mail system.

### **Can anyone tell how I voted if they know my PIN?**

A: No. The system does not track how a particular PIN has voted, only that the PIN has been used to cast a vote.

### **Once I have my PIN, do I have to register in advance if I want to use either the telephone or the Internet to cast my vote?**

A. No, there is no registration required. During the election period, using your PIN, you can use either the telephone or the Internet to cast your vote.

### **What if I lose or misplace my PIN?**

A. If an elector loses or misplaces their PIN they should contact Township of Huron-Kinloss Election Help Centre at 1-833-395-5150. The Election Official can decide to replace the missing PIN if it has not already been voted. The original lost or missing PIN will be disabled and it will not be able to be voted in the election.

### **How do I access the voting system?**

A. Voting instructions will be included in the Voter Instruction Letter mailed to each eligible elector on the official Voters' List. Included in this information are instructions on how to access the voting system. Voters can cast their ballot using the telephone or cell phone by calling a toll free number. Voters using personal computers will use the Internet to visit a website that will allow them entry into the voting system where they can cast their vote.

**If I am using the telephone to vote, how will I know what number to press to vote for the candidate of my choice or what if I make a mistake and select a different candidate than the one I want to vote for?**

A. The Voter Instruction Letter mailed to you has the list of candidates included on it for your reference. In addition, each time the system presents you with a race to vote for; it lists the eligible candidates running for that position and instructs you to select the corresponding number for that candidate. You may also clear your ballot selections and start over.

**Once a vote has been confirmed, can it be changed?**

A. No. Once a vote has been confirmed it cannot be changed. This process is the same as dropping the ballot into the ballot box in a traditional paper based election ensuring complete voter anonymity and secrecy of ballot. The system does not know how the ballot was voted; only that the PIN was used in the election to cast a vote and thus it cannot be removed from the vote count.]

**How do I vote if I am away from home, out of town, out of the province, or out of the country?**

A. You can vote during the election voting period using the Internet from anywhere in the world. You can also use telephone service and connect to the voting system toll free from anywhere in North America simply by dialing the toll free number contained in your Voter Instruction Letter.

**What if I have a rotary phone at home, no cell phone and don't have a computer with Internet service. How can I vote?**

A. You do not have to vote from home. You can vote from any location using any phone with touch tone service or from any computer. If you require access to the internet a terminal will be provided at the Township of Huron-Kinloss Municipal Office at 21 Queen Street, Ripley ON during the Help Centre Hours or at Ripley and Lucknow libraries during normal business hours.

**If someone calls me and asks for my PIN, what should I do?**

A. You should treat your voting PIN with the same level of secrecy and confidentiality you reserve for your bank card and PIN. Do not give your PIN to anyone who may call or approach you for the number.

**What do I do if the phone line is busy when I call and try to vote?**

A. If the phone lines are busy, simply hang up and call back a short time later. The voting system is capable of handling a significant volume of calls simultaneously but there is always the possibility that many voters are attempting to call in the same timeframe. Voters will be able to connect to the system over the course of a number of days during the voting period.

**Could someone steal my PIN and vote it?**

A. Stealing and opening another person's mail is illegal. It is also illegal to represent yourself as another person and steal their right to vote in an election. Both these acts are illegal and have penalties defined by law.

If you know someone has voted your PIN illegally you should report it to the Election Official. You can obtain a replacement PIN to cast your vote by presenting yourself to the Election Official and swearing an affidavit that the PIN assigned to you was not voted by you but by someone else.

**If I am a voter with a disability; deafness, blindness, or a mobility disability, can someone help me with the voting process?**

A. Electronic voting allows increased rights of privacy to voters with physical challenges that make traditional voting at polling stations more difficult. Blind voters can make use of the telephone and deaf voters can use the Internet to vote with little or no assistance required from others. If you need assistance please visit the Township of Huron-Kinloss Election Help Centre, the Election Official present will be able to assist you.

**Would it be possible for me to be sent more than one PIN?**

A. If you received more than one PIN it is because your name appeared on the Voters' List more than once. This rare situation might occur if you changed your place of residence and have been enumerated in both locations or you own property and are the registered resident at both locations. You are only permitted to vote once in a municipality and you should only cast a vote using the PIN associated with your primary place of residence. Notify the Election Official of the additional PIN and they will disable this PIN rendering it unusable for the election.
