Where is Huron-Kinloss? The Township of Huron-Kinloss is located at the south end of Bruce County on the shores of Lake Huron. It encompasses the former Villages of Lucknow and Ripley, as well as the beach community of Point Clark, and many small rural communities.

We believe the grass is greener in Huron-Kinloss. Why? It's a place where you can connect with your community, your kids can play outside past dark, and you can finish your workday and be on Lake Huron within minutes.

Secrets of the Back Forty

Pssst..... Want in on the secret?

Check out www.secretsofthebackforty.com to unlock your Huron-Kinloss tourism adventure!

Beaches, Marinas & Golfing

Gorgeous beaches, spectacular sunsets, and two beautiful 18-hole golf courses... everything needed for a perfect getaway.

Point Clark Beach

Situated next to the Point Clark Lighthouse, this sandy beach is a great place to spend the day. Accessed from the end of Lighthouse Road, there's play equipment for the kids; a beach volleyball court (bring your own ball!) and family/gender neutral public washrooms with baby change stations and a foot rinse.

Boiler Beach

On November 21st, 1883 the Great Lakes Steamer called the "Erie Belle" made her last voyage.

All that remains of the Erie Belle today is the boiler itself which sits at the north end of the Township and is why this area is known as "Boiler Beach". You can access this beach at the base of Boiler Beach Road where it intersects with Concession 12, or where it intersects with Huronville Street (just south of Kincardine).

Introducing your 2022-2026 Council & Committee of the Whole

The current municipal Council was elected in 2022 and is serving a four-year term. Council consists of a Mayor, Deputy Mayor and 5 Councillors. Council and Committee of the Whole meetings are held in council chambers at the Municipal Office, 21 Queen St., Ripley. Committee of the Whole takes place on the first Monday of every month and Council takes place on the second and third Monday of every month unless it falls on a holiday. A full Council & Committee of the Whole Meeting schedule is available on the Township website.

All meetings are held at 7 p.m. except for the first meetings of January and February, which are held at 10:00 a.m. All regular meetings are open to the public and the public are invited to attend. Agendas and attachments are posted on the Township website the Friday prior to the meeting. The Township of Huron-Kinloss is committed to providing information in an accessible format. The public is encouraged to contact the Clerk's department if you require assistance with documents and we will make every attempt to provide information in an alternative format.

We asked the Mayor and Councillors a few questions to get to know them.

- Q1.** What is your current or past occupation beyond being a Councillor?
- Q2.** What is your favourite hidden gem or the best kept secret in Huron-Kinloss?
- Q3.** What is one thing most people would be surprised to know about you?

Mayor Don Murray

A1: I have been a beef farmer and truck driver for the last 35 years.

A2: We have so many scenic trails and roads in our municipality that I love to travel. I enjoy the small town hospitality that lives strong in the people of Huron Kinloss.

A3: I have only travelled on a plane twice in my life. I much prefer to drive to see the beauty. I like to speak with the older generation to hear all the history of this area.

Deputy Mayor Jim Hanna

A1: I am a Professional Engineer currently working in the Energy Sector.

A2: The fact that no matter where you stop your vehicle in Huron-Kinloss, the view is beautiful.

A3: I have been on Huron-Kinloss Council since its inception in 1999 (over 22 years).

Councillor Larry Allison

A1: I am retired after a 35 year career in municipal administration, having worked for three municipalities during that time. I also undertake some part-time tasks for Elections Ontario and Elections Canada.

A2: The number of unique, eclectic small businesses nestled within our community is surprising. The range of quality goods and services that can be acquired locally with a little research is a best kept secret!

A3: I once had an opportunity to drive a race car on Las Vegas Motor Speedway....a thrill I won't forget!

Councillor Shari Flett

A1: I worked as an Animal Health Technician and am now a Radiation Safety Technician. Along the way I've packed ice-cream at Nestle, been a superintendent, and worked in my husband's carpentry business.

A2: The beach at the Point Clark Lighthouse is my favourite place to take the grandkids. It's very easy to get to with lots of parking and the water depth is perfect for younger children!

A3: I worked alongside my husband in his carpentry business and I can clad a door in aluminum as well as he can!

Councillor Scott Gibson

A1: I work as a Contract Supervisor FLM for Bruce Power Nuclear Station in Tiverton Ontario. I also run a small farm just south of Ripley.

A2: Our ability to get away from it all by taking an ATV ride in the country or fishing in our rivers and streams. I also enjoy driving around our backroads and watching the fertile land come to life in the spring and fill the void that was once just a field of dirt.

A3: I played on many hockey and baseball teams in my youth- loving competition in any form. All I can say is never stop doing the things you enjoy until you physically can't anymore.

Councillor Ed McGugan

A1: We were dairy farmers with a Jersey herd. Also spent many years in design and engineering including running my own engineering consulting company.

A2: The walking trails in and around Lucknow.

A3: Have been a competitive archer for over five decades, even winning occasionally, as well as enjoying relaxing shooting with family and friends.

Councillor Carl Sloetjes

A1: I've been a regional manager/owner at Clera Windows & Doors for the last 25 years, and am proud to have my son Dan as my business partner.

A2: I would say one hidden gem is Silver Lake.

A3: I have been self employed for 34 years!

Lucknow Standpipe

In 2022 our application to replace the Lucknow Standpipe was approved! Construction began in 2022 and will be complete in late 2023.

After more than a decade of planning for the replacement of the Lucknow Standpipe, the Township of Huron-Kinloss was presented with funding from Huron-Bruce M.P.P. Lisa Thompson from the Investing in Canada Infrastructure Green Stream.

Throughout the years, the Township prepared for the replacement of the standpipe, investing in the necessary engineering and design work to bring the project to a “shovel ready” state.

The Township even purchased additional property to improve access to and the location of the standpipe, reducing construction and future maintenance costs and eliminating negative impacts on the neighbouring properties. By the end of 2019, almost \$500,000 was invested in this project, without even breaking ground.

Learn more about the Lucknow Standpipe and other municipal projects by visiting our municipal projects page at www.huronkinloss.com/municipal-projects.

MUNICIPAL
PROPERTY
ASSESSMENT
CORPORATION

MPAC
Property Assessments

MPAC determines property assessments for all properties in Ontario. Municipalities determine revenue requirements, set municipal tax rates and collect property taxes to pay for municipal services. The Government of Ontario establishes the province's assessment and taxation laws and determines education tax rates.

The Ontario government postponed the 2020 Assessment Update due to the pandemic. Property assessments for 2023 property tax year will continue to be based on the January 1, 2016 current values. This means your property assessment for the 2023 property tax year will be the same as the 2022 tax year, unless there have been changes to your property.

We are continuously reviewing properties. You may have received a Notice for one of the following reasons:

- change to property ownership, legal description, or school support;
- change to the property's value resulting from a Request for Reconsideration, an Assessment Review Board decision, or ongoing property reviews;
- property value increase/decrease reflecting a change to the property; for example, a new structure, addition, or removal of an old structure; or
- change in the classification or tax liability of the property.

Want to Learn More? To view your property assessment and the information we have on file for your property, you can register for AboutMyProperty on mpac.ca using the Roll Number and Access Key found on your Property Assessment Notice. If you do not have your notice, you can contact us at 1 866 296-6722 (TTY 1 877 889-6722).

Fire Protection & Emergency Management

Chris Cleave, Fire Chief – Huron-Kinloss Fire & Emergency Services
(Ripley-Huron and Lucknow Fire Departments)

Fire Safety

The Fire Departments within the Township of Huron-Kinloss are responsible for the provision of fire and emergency response services, ongoing fire prevention and public education programs.

Fire Permits

Fire permits are issued on an annual basis. Recreational fires are exempt from requiring a permit. The Fire Chief is responsible for administering the Open-Air Burning By-Law and for issuing permits. Fire permits are available for purchase at the Municipal Office. The fee is \$10.00. Once a fire permit is obtained the permit holder will be required to call the hotline at 1-800-511-9911 prior to igniting a fire.

Emergency Management

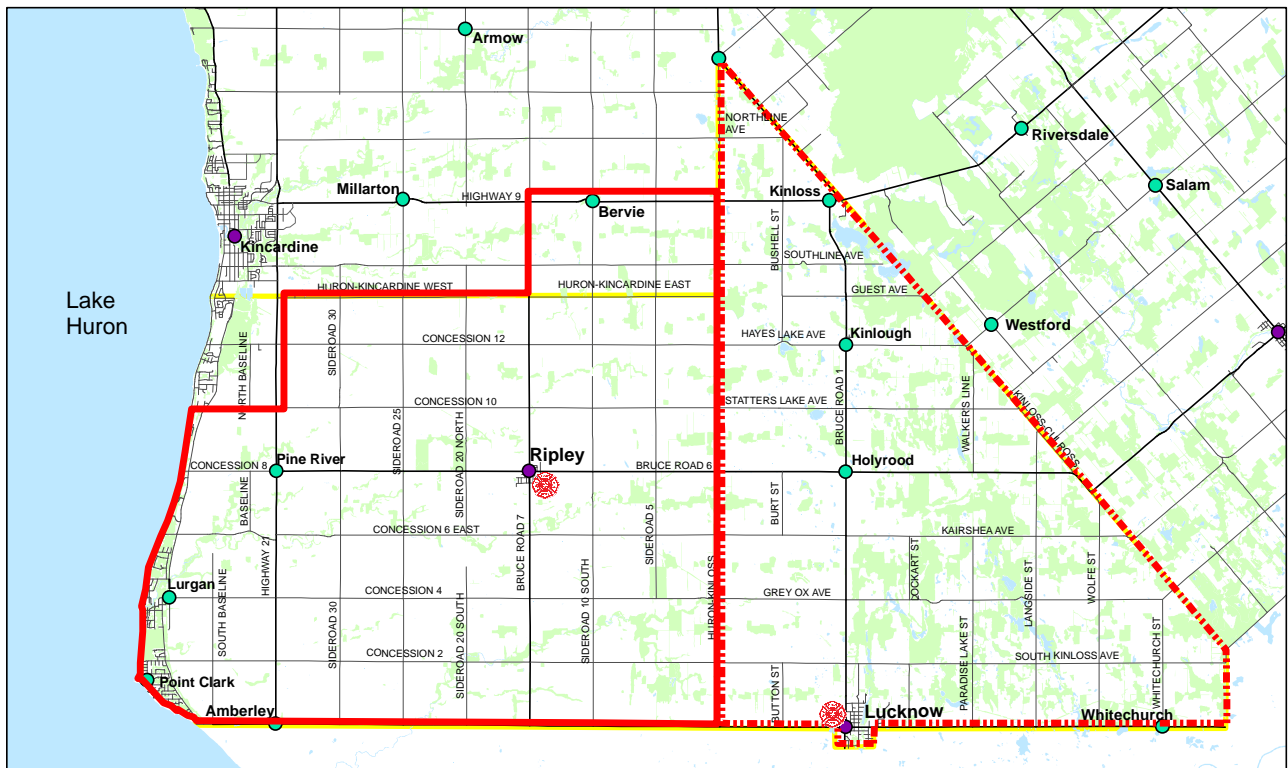

For personal emergencies, you must know your 911 or civic address, which is a combination of your house number, street name and name of your Municipality. Your house/cottage/store number should be clearly visible from the road.

In the event of a disaster or large-scale emergency, first responders may be busy assisting those in immediate danger. It's important for you to have a 72 Hour Kit which should hold enough supplies to support you and your family for three days in an emergency.

Along with a 72 hour kit, have an emergency action plan. It will ensure that you and your family members know what to do and who to call.

Emergency alerts are available at www.huronkinloss.com, by calling 519-395-3735, or via local radio stations.

Township By-Law Q&A

Q: I am a business owner and would like to advertise my business on a sign, where can I place my sign?

A: A business sign may be erected at the location of the business. The sign will need to meet size and zoning criteria that can be found in the Sign By-Law No. 2019-140. Signs may also require a building permit. It is important to read the by-law and if you have any questions to contact the Township office.

No sign shall be attached to a tree, hydro pole, Township pole or support, or on Township or public property without Township permission.

Q: Are there regulations to aid with snow removal and alleviate safety concerns during the winter months?

A: According to the Township of Huron-Kinloss Parking Control By-Law 99-20, parking on the road is not permitted between Nov. 1 and April 30, between the hours of 1:00 and 6:00 a.m., to ensure roadways get cleared of snow properly.

Also, the Prohibition of Snow Piling By-Law 2011-136 prohibits snow or ice from being shoveled onto roadways, which can cause safety concerns. Fines may be issued if caught in violation of either of the aforementioned offenses.

Q: How does the Noise By-Law pertain to me?

A: General noise must be minimized between the hours of 11:00 p.m. and 7:00 a.m. the next day (9:00 a.m. on Sundays). Every homeowner should be mindful of neighbouring residents and properties at all times to not disturb the natural enjoyment of their properties. This includes persistent barking or whining of domestic pets.

If you are hosting a celebration or gathering, exemptions to the Noise By-law can be obtained through Council to avoid prosecution. You must apply in writing to council at least 6 weeks in advance of the function. Contact the Clerks department at info@huronkinloss.com for further details.

Q: When can I have a family fireworks display?

A: According to our Noise Control By-Law 2005-101, the detonation of fireworks is prohibited in a residential area except in association with Victoria Day and/or Canada Day celebrations. All family members, tenants and renters visiting property in Huron-Kinloss should be made aware of these restrictions.

Township By-Law Q&A Continued

Q: Where may I ride my Off-Road Vehicle in Huron-Kinloss?

A: The Township of Huron-Kinloss Off-Road Vehicle Use By-Law 2015-89 permits Off-Road vehicles to drive on Township roadways if all operators and the vehicles are properly licensed and they follow all regulations under the Highway Traffic Act.

Off-Road vehicles are not permitted in urban areas such as Ripley or Lucknow or in the area West of Lake Range Drive except to obtain food, lodging or fuel. In no circumstances are Off-Road vehicles permitted on the beach or public trails.

Q: My neighbours' yard is a mess. Is there anything the Township can do to have it cleaned up?

A: The Township of Huron-Kinloss has a Property Standards By-Law No. 2018-100, which deals with the exterior and interior of a building and the yards surrounding it. This By-Law is a minimum maintenance by-law, setting out the minimum standards in which a property must be kept. These health and safety guidelines are in place to protect neighbours as well as the property owners.

Q: What is Giant Hogweed and what should I do with it?

A: Giant Hogweed is designated as a noxious weed in accordance with the Weed Control Act RSO 1990 as well as the Township of Huron-Kinloss Property Standards By-Law. It is very hazardous to human health, if the stem oils come in contact with human skin it may cause severe burns. Giant Hogweed must be killed immediately upon knowledge of its growth; if not done so by the property owner the Township will bring the property into compliance at the expense of the owner. If an established growth is found, it is recommended that a contractor be hired to remove the growth.

Q: I have a raccoon/skunk hanging around my property. What can I do to get rid of it?

A: The Township of Huron-Kinloss does not deal with nuisance wildlife. We can provide the names of local trappers and/or private nuisance animal companies that will remove the animal for you at your expense.

Q: Does the Township have any regulations regarding the waterfront and beachfront area?

A: The Township of Huron-Kinloss has entered an agreement with the Ministry of Natural Resources to help protect our lakeshore. Regulations in the agreement can be enforced by our By-Law Enforcement Officer. Regulations are listed below and are posted at many of the beach access points in Huron-Kinloss.

- No littering
- No golfcarts and motorized vehicles permitted on the beach (by permit only, if a permit is required for equipment on the beach please contact mfair@huronkinloss.com)
- Clean up after pets
- No dune destruction or alteration (this includes cutting down vegetation/trees)
- Burn any substance without a permit
- No igniting fireworks
- No constructing or placing a structure on the beach
- No harming or removing invasive or native vegetation

The Township of Huron-Kinloss By-law Enforcement Officer has been appointed by the Ministry as a Public Lands Act Officer, thus giving authority to monitor beach activity, to educate the public and enforce these regulations using an Off-Road Vehicle.

Q: When am I permitted to water my lawn?

A: Lawn Watering By-Law 2010-46 is in effect from June 1 to Sept. 15 annually. Permitted lawn watering is determined by your house number. Even numbered houses may water on even numbered days and odd numbered houses water on odd days of the month. Watering is permitted between 6:00 and 9:00 a.m. and 6:00 and 9:00 p.m. unless you use an automated sprinkler system, which must be set to run between 4:00 and 7:00 a.m. on the property's respective day. Fines will be issued if caught in violation of the lawn watering By-Law.

How do I Report a Problem?

We all want our community to be safe, beautiful and well cared for; so what do you do if you notice a park that needs cleaned, a pothole that needs fixed or a by-law that needs enforced?

How Do I Report Service Requests?

- Download the Huron-Kinloss Connects mobile app from the Apple App or Google Play stores
- Use the web portal at www.huronkinloss.com/report-a-problem
- Call the Municipal Office 519-395-3735
- Call the By-Law Enforcement Officer (By-Law issues only) 519-395-3844

Reporting By-Law Complaints

The Township of Huron-Kinloss Council has authority to pass by-laws to ensure a safe, quiet and peaceful environment for residents. Our By-Law Enforcement Officer responds on a complaint basis; if you see something, you have to report it through the proper channels so we can investigate.

By-Law complaints can be reported through any of the options above but they cannot be reported anonymously. Our By-Law Enforcement Officer needs contact information to confirm the details of your complaint and to follow-up.

What is the Huron-Kinloss Connects Mobile App and Report a Problem Portal?

Avoid waiting in line at the Municipal Office, or trying to figure out who to call to report an issue. Download the Huron-Kinloss Connects mobile app or visit the report a problem web portal at www.huronkinloss.com. The portal is accessible in the blue bar at the top of every webpage.

Submitting a request is easy. Touch the big orange button on the homepage of the app. Take a photo of the issue, choose the problem from a list of categories and leave the rest up to us! The best part is that we'll keep you updated with the progress of your request and let you know when it's been resolved.

Download the mobile app from the Google Play or Apple App Store for a quick and comprehensive way to help keep our communities safe and beautiful.

Your request is sent directly to the appropriate department to investigate and fix.
